

ROSEBURG VA MEDICAL CENTER

PGY-1 PHARMACY RESIDENCY

The Roseburg VA Medical Center and its satellite clinics serve over 27,000 Veterans throughout Central and Southern Oregon & Northern California. Three satellite clinics provide care for Veterans in Eugene, North Bend, and Brookings. The Roseburg VA Medical Center campus is located in beautiful Roseburg, Oregon. Home to 22,000 people, Roseburg is situated along the Umpqua River. Scenic walking and bike trails along the river link the town's parks.

ABOUT OUR PROGRAM

The VA proudly serves Veterans who have bravely fought to protect the freedoms of our great nation. Each year, three residents are carefully selected for a 12-month, ASHP-accredited program that begins mid-June. Residents will work alongside board certified pharmacists with prescriptive authority and actively participate in patient management in a variety of clinical settings. Mornings consist of core and elective rotations; afternoons are devoted to longitudinal clinics. Application materials must be submitted through PhORCAS. If selected, prospective candidates are required to complete a four-hour, onsite interview, including a presentation, clinical case scenario, and a tour of the facility.

Core Rotations:

- Ambulatory Primary Care
- Internal Medicine
- Inpatient Psychiatry
- Pharmacy Management
- Joint Commission Review

Elective Rotations:

- Primary Care (Eugene or Roseburg)
- Home-Based Primary Care (Eugene or Roseburg)
- Pharmacy Informatics
- Outpatient Psychiatry
- Potential for additional opportunities based on residents' interests

Longitudinal Experiences:

- **Cardiac Risk Reduction Clinic:** Twice weekly pharmacy-managed clinic for Veterans diagnosed with hypertension, dyslipidemia, and diabetes. Residents will build rapport and continually manage select Veterans throughout the residency year
- **Anticoagulation Clinic:** Telephone-based monitoring of warfarin, LMWH, and novel oral anticoagulants
- **Alzheimer's Protective Care Unit:** Perform monthly medication reviews for designated Veterans
- **Smoking Cessation:** Telephone-based smoking cessation appointments to optimize prescriptions for varenicline, bupropion, and nicotine replacement therapy
